

Thank you for your downloading this freebie!

By purchasing this resource, you are agreeing that the contents are the property of [Amigo Science](#) and licensed to you only for classroom / personal use as a single user. I retain the copyright and reserve all rights to this product. **Please remember to leave feedback so you will earn TpT Credits, which may be applied to your future purchases.** Leaving feedback also allows me to grow as a TPT author and I welcome suggestions! **FOLLOW ME ON TPT.**

YOU MAY:

- ☐ Use free and purchased items for your own classroom students, or your own personal use.
- ☐ Reference this product in blog poses, at seminars, professional development, workshops, or other such venues, **ONLY** if both credit is given to myself as the author, and a link back to my TPT store is included in the presentation.
- ☐ Purchase licenses at a great discount for other teachers to use this resource.

YOU MAY NOT:

- ☐ Claim this work as your own, alter the files in any way, or remove copyright/watermarks.
- ☐ Sell the files or combine them into another unit for sale/free.
- ☐ Post this document for sale/free elsewhere on the internet (this includes Google Doc links on blogs).
- ☐ Make copies of purchased items to share with others. This is strictly forbidden and is a violation of the TOU/law.

Thank you for abiding by universally accepted codes of professional ethics while using this product. If you encounter an issue with your file, notice an error, or are in any way experiencing a problem, please contact me and I will be more than happy to help sort it out. You can reach me at info@amigoscience.com.

Atmosphere
FREEBIE!**

Layers of the Atmosphere E-Book

[Leave a Review](#)

THANK YOU!

Suggestions for Use

[Download this resource as a Google Slide here.](#)

- ☁ Introduce the topic of Earth's atmosphere by reading the book with your class. Show the choice board to students to spark interest in a possible topic, but do not assign anything yet. Then, begin formally teaching the layers of the atmosphere.
- ☁ When finished with the lesson, assign the choice board in any manner you wish.
- ☁ Use this book as a culmination activity after students learn about the atmosphere. Students should try to find any information they did not previously know. Then, use the choice board to extend the lesson.
- ☁ Use it however you want! I love to hear how it is being used in the classroom. Email me how you implemented this in your classroom at info@amigoscience.com.

Supplement your lesson with these atmosphere resources:
